Re P.C.1358 Kelsall - Return after sickness - continued

I have related this to Mr Quinnell by means of a telephone call to his secretary. She indicated that if Mr. Qinnell wanted to see me he would contact me, and that I would not now be on the list for the denervation treatment.

Since 12th April I have had no recurrence of the back pain, and have enjoyed increasing fitness. I take this opportunity to state that I attribute this to the Lord Jesus Christ.

On 12th April I saw my GP and told him what had happened. He was satisfied that I was no longer suffering back pain, but did not consider me fit for work. I saw my GP again on 27th April, when after examination he decided I was fit for return to work as from 30th April. I subsequently commenced duty on Friday 2nd May at 2pm.
